From the Artistic Director,

A huge thank you to every single staff member and my co-directors for all of your hard work that led us to this day! Without each one of you, today would not be possible. Alicia and Kevin, I appreciate you both for the trust you have in me and the support you have always given this dance program! Every year gets better and that's a true testament to your leadership.

To our Republic families, I'm so thankful you chose **REPUBLIC** for your child to cultivate their passion for dance! We are truly blessed to be a part of your children's dance journey and love watching them grow. Today is such a special day for them and we hope you enjoyed watching them all! From our tiny 2-year-olds to our graduating seniors, they each hold such a special place in our hearts! Please spread the word of Republic Dance to friends and family! We hope to see your family continuing with Republic next season.

Have a great summer!
